COMPETITION OVERVIEW

Oklahoma Art. Center Stage.

Regent Bank Amphitheater is coming to Broken Arrow — and we want Oklahoma artists to be part of it.

ARTSOK, in partnership with the VENU Arts and Culture Foundation and Venu Holding Corporation, is inviting artists across the state to submit original artwork for a one-of-a-kind public art opportunity. Selected designs will be reproduced and installed as large-scale murals at the new venue, where they will be seen by thousands of concertgoers every season. Regent Bank Amphitheater will host up to 12,500 attendees per event, making this one of the highest visibility public art opportunities in the region.

You do not need to be a muralist to enter. Painters, illustrators, photographers, digital artists, graphic artists, mixed-media creators, and graffiti artists are all welcome. If you make art, this is for you.

THE THEME

The energy
of live music.

The spirit
of Oklahoma.

The connection between
fans, artists, and the stage.

We are looking for bold, dynamic, original artwork that captures the feeling of live performance and the excitement of a new gathering place for Broken Arrow and the region. Interpret it in your own style — abstract, realistic, graphic, painterly, or anything in between.

Possible inspiration includes:

- Live music and performance
- Oklahoma landscape, culture, color, movement, or identity
- Broken Arrow community pride
- The experience of gathering with friends, family, and fans
- The relationship between audience, artist, sound, and place

- **Third Prize** — \$750: Artwork reproduced in a smaller-scale venue installation

Final placement and format will be determined by VENU Arts and Culture Foundation, VENU, and the venue team based on production needs, available space, and artwork suitability. All prize amounts are gross and subject to applicable taxes or IRS reporting. Prize payments will be issued within 60 days after completion of required agreements and receipt of final high-resolution production files.
